Dear Mr Woodhouse,

I refer to your emails dated 15 and 31 January 2020 to the Hon. Don Harwin MLC regarding your request for Rushcutters Bay Park and Yarranabbe Park to be listed on the State Heritage Register. Your emails were referred to Heritage NSW within the Department of Premier and Cabinet (DPC) and I have been asked to reply.

The State Heritage Register Committee (SHRC) resolved to recommend to the Minister that Rushcutters Bay Park and Yarranabbe Park be listed on the State Heritage Register at its meeting on 4 December 2019. Their recommendation will be made to Minister Harwin once Site Specific Exemptions for the place have been finalised in collaboration with land owners and managers. **Site specific exemptions will enable land managers to continue day-to-day maintenance and minor works without facing any undue administrative burden.**

Once the site specific exemptions are finalised, they and the Heritage Council's

recommendation to list the Parks including all submissions will be referred to Minister Harwin for consideration and decision.

Potential future works to the Parks have not been considered during the process for listing on the State Heritage Register. If the Parks are listed on the State Heritage Register, any future changes will require approval by the Heritage Council. The Heritage Council will consider the impact of any proposal on the values for which the Parks have been listed.

Thank you for your concern for the conservation of these parks. If you have any further questions about this issue, please contact Emma Dortins, Senior Team Leader, South Metro Team, Southern Region, Heritage NSW on telephone 9585 6465 or via e-mail emma.dortins@environment.nsw.gov.au.

Yours sincerely
