## DINE & DISCOVER VOUCHERS EXTENDED TO JULY 31

The NSW Government's Dine & Discover initiative will be extended by a month to give people extra time to use all of their vouchers eating out or trying a new activity this winter.

The latest data shows more than 4.23 million people in NSW have downloaded the vouchers since they were launched in March spending a combined total of more than \$357 million.

Member for Vacluse, Gabrielle Upton MP said the vouchers have been popular and played a valuable role supporting local businesses.

Ms Upton said, "This program is win-win for our local community as it provides businesses with much needed stimulus and families with extra spending money to try out new places.

"People of all ages and walks of life are giving them a go and we don't want anyone to miss out. This extension will ensure everyone has a chance to use all four of their vouchers, especially with the upcoming school holidays.

"It also means that it's not too late for businesses to register for the program or for residents to sign up and spend their vouchers before they expire on 31 July 2021."

Every adult in NSW is eligible for four \$25 vouchers worth \$100 in total, to spend across the 14,000 participating businesses. The vouchers can only be used at eligible businesses that have implemented a COVID Safety Plan and are registered as COVID Safe.

Most popular use of Dine & Discover vouchers across NSW:

- Food and beverage services - more than 5 million redemptions
- Movie theatres - more than 1.2 million redemptions
- Heritage activities such as museums and art galleries - almost 370,000 redemptions.
