

Council Ref: SC2470-013
Your Ref:

10 June 2022

Ms Charlotte Feldman
President
Darling Point Society
PO Box 1131
EDGECLIFF NSW 2027

Dear Charlotte

Thank you

We write to thank you for your membership and contributions to Woollahra Council's Community Safety Committee.

Over the years the Community Safety Committee has progressed or contributed to some key areas of work that protected and improved the safety of the Woollahra community. Areas covered have included the establishment of Council's graffiti removal program, progression of the Gap Park Masterplan, community awareness about personal safety measures, input to rules and regulations regarding companion animals, and comment on all things traffic and parking related.

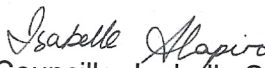

As you are aware, there is an Eastern Sydney Police Area Command Precinct Committee. Matters raised at the Community Safety Committee meetings are being addressed either at Precinct Committee meetings or by other Council Committees. As a result it was agreed at the 28 March Council meeting that the Community Safety Committee was no longer required.

As members of the former Community Safety Committee, you are most welcome to join the Eastern Sydney Police Area Command Precinct Committee meetings. If you are not already on the mailing list for these meetings and would like to be, please contact Senior Constable Peter Woodward on wood5pet@police.nsw.gov.au

We thank you for your service to the Woollahra community.

Yours sincerely

Councillor Susan Wynne
Mayor of Woollahra

Councillor Isabelle Shapiro
Deputy Mayor of Woollahra
