

## Have your say on our next public space project

We hope you and the people associated with your organisation share our belief that public open spaces directly contribute to the wellbeing and recreational enjoyment of our community.

Woollahra Council is eligible to receive up to \$4.75M from the NSW Government for new public space projects. This is an exciting opportunity and we would like your input before deciding on the projects we will progress, and what other ideas should be considered. We know this is a busy time of the year and we would appreciate you sharing this feedback opportunity with your network. The brief survey [yoursay.woollahra.nsw.gov.au/publicspaceslegacyprogram](https://yoursay.woollahra.nsw.gov.au/publicspaceslegacyprogram) is open until 18 December.

We have developed a preliminary list of public open space projects that meet the program guidelines:

- **Knox Street, Double Bay** – creating a pedestrianised public plaza between Bay Street and Goldman Lane as envisaged in the Double Bay Pedestrianisation Study 2020.

This project would include **full road closure and creation of paved public plaza** with seating areas and public art elements. Indicative cost \$3.6m.

- **Guilfoyle Park, Double Bay** – finalising the staged upgrade to the main public plaza of the Double Bay business centre. The project includes a water feature and expanded plaza area to facilitate public gatherings and events. Indicative cost \$800k - \$1m.
- **Bellevue Park, Bellevue Hill** – providing a new perimeter active transport (walking or cycling) route to link Birriga Road and Bellevue Park Road. Indicative cost \$700k - \$1m
- **Marine Parade, Watsons Bay** – revising the public domain adjacent to the Watsons Bay Baths to improve pedestrian connectivity between existing open space at Robertson Park and Watsons Bay Beach with the public baths, Gibsons Beach, Tea Rooms and the public library. Indicative cost \$800k - \$1m

The funding is available to councils under the NSW Government's Public Spaces Legacy Program.

Your feedback at [yoursay.woollahra.nsw.gov.au/publicspaceslegacyprogram](https://yoursay.woollahra.nsw.gov.au/publicspaceslegacyprogram) will help us decide on the best way to use this funding for community benefit. Thank you and best wishes for the end of the year.

Yours sincerely

Tom O'Hanlon  
Director – Technical Services

**Juliana Yu**
