## **UPDATE SKATEBOARD RUSHCUTTERS BAY PARK AND SWIMMING PLAZA YARRANABBE PARK**

Dear Craig

Following residents enquiries on the matter, the Darling Point Society is seeking information regarding the Heritage Impact Statement (HIS) commissioned independently to highlight the Aboriginal and European heritage of the parks and to a compromise with the State Heritage Minister in order to obtain permission to build a skatepark in Rushcutters Bay Park.

We would like to be informed as follows:

### **1. HIS**

- When is the HIS ready to be tabled?
- when is the HIS being released to the Heritage Minister
- When is it being released to the public
- Does it take into account the rules of section S60
- Why is "skateboard" substituted by "Youth recreation area" (+in Strategic Mgt Plan)
- Where are the plans for the project and can they be viewed?

### **2. SWIMMING PLAZA**

- Why is heritage listed seawall being opened and equipped with steps from the promenade
- Where can the plans be seen?
- What safety and life saving facilities are being implemented?
- Is there provision for a safety net?
- Is there provision for a permanent life guard to be on site ?

**In this difficult time of lockdown it is important that the community retains grass sanctuaries in the municipality to maintain mental health .**

Thank you for your prompt response which will be communicated to residents awaiting answers.

Kind regards

Charlotte Feldman  
President
