Dear Nathaniel

As the President of the Darling Point Society and on behalf of the residents of the area surrounding The Swifts in Darling Point I am writing to express our thanks for your crew's consideration while filming there.

We appreciated receiving a FILMING NOTICE explaining the filming schedule and the parking arrangements.

The staff in charge of parking and security have been very courteous and aware of the parking difficulties and they have done as much as possible to minimize the impact.

I particularly am grateful as I live at Yarranabbe directly opposite the Swifts.

Looking forward to seeing the series when released

Kind regards

Charlotte Feldman
