Dear Resident

**Royal Prince Edward Yacht Club v Woollahra Municipal Council
Land and Environment Court Proceeding No. 2020/119022
Premises: 160 Wolseley Road, Point Piper**

We refer to the above proceedings in which we act for Woollahra Municipal Council (Council) and to our previous correspondence.

As you are aware, the matter was listed for a consent orders hearing before Commissioner O'Neill via Microsoft Teams on **15 June 2021**.

At the hearing, oral evidence was heard by a number of resident objectors. Ms Hewitt, of our office, again invited the Commissioner to carry out a site inspection so that the Commissioner could understand the resident's concerns. Commissioner O'Neill did not take up the request.

Following the tendering of evidence and oral submissions, Commissioner O'Neill reserved her judgment.

Whether you participated in the hearing or not, we will write to you regarding the outcome of these proceedings when judgment is delivered.

Thank you for your interest and participation in the matter.

Yours faithfully
