Re: Skateboard facility – Rushcutters Bay Park

Dear Craig,

These are very peculiar times, and all nature of crises are causing normally formal channels of communication about meetings, decisions, deliberations etc to be interrupted or not happen, so that's why a formal letter like this matters.

In the light of the significant number of the Woollahra community's proven and demonstrated opposition to the Rushcutters Bay siting of a skatepark, over many years, we FORMALLY REQUEST TO BE INFORMED when this issue comes up for ANY discussion at Council, either to do with the continuance of the allocated finances, or the rescission of same, to the skatepark proposal, or any other plans to do with it's proposed installation. We have a responsibility to all those that opposed it and a right of advocacy to ensure that a skatepark is never realised in the open green space of this State heritage listed crown land."

Kind regards and best wishes for the festive season,

Charlotte Feldman
