MAJOR OLD SOUTH HEAD ROAD UPGRADE

Member for Vaucluse Gabrielle Upton MP today announced a major road upgrade is on the way for Old South Head Road between Newcastle Street, Rose Bay and O'Sullivan Road, North Bondi.

Ms Upton said the crucial work would take place between July 20 and July 29 2022, creating a smoother and safer transit experience for all road users.

"This is good news for our local community who have raised concerns about the condition of Old South Head Road, particularly since the heavy rain.

"These works will produce a smoother and safer road surface and consistent driving conditions for motorists," Ms Upton said.

Work will take place up to four nights a week between 8pm and 5am. During construction there will be some temporary traffic changes to maintain the safety of road users, pedestrians and workers including traffic controls and reduced speed limits. Those changes include lane closures along the construction zone which may affect travel times. Vehicular access, including buses, and access to homes and businesses will be maintained throughout the construction period.
