DIGITAL PARKING NOW LIVE IN WOOLLAHRA COUNCIL AREA

Member for Vaucluse Gabrielle Upton MP announced that finding and paying for parking is now easier for drivers living in or visiting our local community thanks to the NSW Government's popular Park'nPay technology going live in the Woollahra Council area.

Ms Upton said the app is a game changer for the local community.

"We're making life easier for drivers by allowing them to pay for parking and top-up through their phone and avoid parking fines, as well as pay for the exact amount of time they need the space," Ms Upton said.

"We know our local area is known for its cafes, restaurants and parks, and now drivers will be able to use the app to pay for more than 500 local parking spaces.

"I encourage residents to download the app and try it out. More than 92 per cent of drivers that already use the app have given it the thumbs up."

Mayor of Woollahra Susan Wynne said: "We are delighted the convenience of Park'nPay is now available to local residents and visitors to Woollahra."

Minister for Customer Service and Digital Government Victor Dominello said since its launch in 2019, Park'nPay had been embraced by motorists, with more than 100,000 app downloads so far.

"We are excited to put the power of parking back into the hands of the thousands of people who live, work and travel in Woollahra by giving them a seamless parking experience," Mr Dominello said.

Park'nPay is also available in The Rocks, Ryde, Liverpool, Cumberland, Central Coast, Mosman, Hunters Hill, Burwood, Northern Beaches, Port Stephens, Willoughby, Armidale and NSW National Parks.

The app also provides information on real-time parking availability for 21 Transport for NSW Commuter Carparks, locations of electric vehicle charging stations and more than 18,000 private driveways to rent. For more information visit:
