23 April 2020

Dear Residents

Anzac Day 2020

Anzac Day is one of Australia's most important national occasions. As we are unable to hold ceremonies and events to remember our servicemen and women, past and present, who served and died in all wars, conflicts, and peacekeeping operations, I encourage you to take the time to keep them in your thoughts on Saturday 25 April – Anzac Day.

The NSW RSL is encouraging people to 'Light Up the Dawn', and stand on your driveway or balcony at 6am on Anzac Day with a candle, or you can watch the ABC's live broadcast of the dawn service from the Australian War Memorial, starting at 5:30am. More information can be found on other ways you can commemorate at <https://www.rslnsw.org.au/anzac-spirit/>

I encourage you to explore World War 1 and 2 stories, photos and memories on Council's Library website in the Local History section, or you can simply bake some Anzac biscuits for family and friends.

I have laid a wreath on behalf of the Woollahra Community today at Steyne Park Cenotaph Double Bay and thank you for keeping our community spirit positive during these uncertain times. I hope next year we can come together for a truly special Anzac Day service.

Yours sincerely

A handwritten signature in blue ink that reads 'Susan Wynne'.
