The Hon. Gabrielle Upton MP
Member for Vaucluse

29 June 2021

Dear Resident

We know that the COVID-19 stay-at-home orders have had a significant impact on our local small businesses.

That's why the NSW Government has today introduced a new **COVID-19 support package** offering grants for small businesses depending on the decline in turnover experienced during the restrictions - \$10,000 for a 70 per cent decline, \$7,000 for a 50 per cent decline and \$5,000 for a 30 per cent decline. The package includes payroll tax deferrals for all employers.

The [Dine & Discover](#) program has also been extended to 31 August and people can use Dine & Discover vouchers for takeaway delivered directly to their home by the venue itself.

I am so pleased we can help our local businesses in these ways who I have always enjoyed regularly visiting before COVID struck.

The details of today's NSW Government announcement are [here](#).

Two new COVID-19 cases have been linked to Rose Bay Secondary College and Bellevue Hill Public School. We know it is a particularly difficult time for those students, teachers, parents and carers, especially during school holidays. More information on those cases is in NSW Health's daily COVID-19 statistics below.

Yesterday, the Prime Minister announced new health measures agreed to at a National Cabinet Meeting and his Statement is available [here](#).

[Woollahra Council](#) and [Waverley Council](#) have also provided COVID-19 updates for Council services on their websites.

Please be reminded that NSW Health is frequently updating COVID affected venues with the full list [here](#).

Kind regards

29 June 2021

NSW PUBLIC HEALTH ALERT - COVID-19 STATISTICS

NSW recorded 19 new locally acquired cases of COVID-19 in the 24 hours to 8pm last night.

Seventeen of these cases are linked to previously confirmed cases and the source of infection for two cases is under investigation.

One new overseas-acquired case was recorded in the same period, bringing the total number of cases in NSW since the beginning of the pandemic to 5,609.

There have been 149 locally acquired cases reported since 16 June 2021, when the first case of the Bondi cluster, a driver who transported international flight crew, was reported. Of these, 141 are now linked to the Bondi cluster.

There were 67,000 tests reported to 8pm last night, compared with the previous day's total of 58,870.

NSW Health administered a record 19,526 COVID-19 vaccines in the 24 hours to 8pm last night, including 7,358 at the vaccination centre at Sydney Olympic Park.

The total number of vaccines administered in NSW is now 2,146,701, with 809,848 doses administered by NSW Health to 8pm last night and 1,336,853 administered by the GP network and other providers to 11.59pm on Sunday 27 June.

Of today's 19 new locally acquired cases, seven were in isolation throughout their infectious period and a further two cases were in isolation for part of their infectious periods. Nine cases were infectious in the community and the isolation status of one case is being confirmed.

Today's cases include a Rose Bay Secondary School student. The school site will be closed today for cleaning. All staff and students have been asked to self-isolate until they receive further advice.

Three new cases are linked to the Great Ocean Foods seafood wholesaler in Marrickville. This brings the total number of cases acquired through Great Ocean Foods including contacts of workers there to 19.

Three new cases are linked to the West Hoxton birthday party. This brings the total number of cases acquired through the Birthday party to 34, including 27 people who acquired it at the party and subsequent contacts.

More than 40 people attended this birthday party. It was initially believed about 30 people had attended, but this number increased following further investigations and contact tracing. Six people who attended the party and were fully vaccinated, as well as one person who was partially vaccinated, have returned negative results to date.

The source of two cases reported in today's numbers are under investigation. The first case is a man in his 40s from Sydney's south west, who has been working in Sydney's eastern suburbs.

The second case works as a member of the Out of School Hours service at Bellevue Hill Public School. This case has not had any close contact with staff or students while infectious. NSW Health is reminding the public of its advice for a number of key venues of concern across Sydney. These venues were visited by confirmed cases of COVID-19 and transmission occurred.

Anyone who attended the following venues at the times listed is **a close contact and must immediately get tested and isolate for 14 days, regardless of the result, and call 1800 943 553 unless they have already been contacted by NSW Health:**

- **KENSINGTON** - Doncaster Hotel, 268 Anzac Parade on Wednesday 23 June from 5:45pm-8pm
- **BONDI** - Lyfe Cafe Bondi Beach, 2/154 Glenayr Avenue on Wednesday 16 June from 12:30pm to 2:15pm, from Friday 18 June to Saturday 19 June, from Tuesday 22 June to Thursday 24 June.
- **DOUBLE BAY** - Joh Bailey, 7 Knox Street from Tuesday 15 June to Wednesday 23 June.
- **MARRICKVILLE** - Great Ocean Foods, 5/11 Cadogan Street from Monday 21 June to Friday 25 June/
- **BONDI** - The Royal Bondi, 283 Bondi Road on Saturday 20 June from 7:50pm to 9:30pm, on Saturday 19 June from 5pm-6:30pm.

Anyone who was at **Westfield Bondi Junction**, including the car parks, from 12 June must get tested for COVID-19. Only people with symptoms and those in specific exposure venues at the listed times are asked to isolate.

- **BOND JUNCTION** - Westfield Bondi Junction, 500 Oxford Street from Saturday 12 June to Friday 18 June.

People who were in Westfield Bondi Junction on these days and do not have symptoms and have not been at the specific exposure venues at the listed times do not need to isolate.

To keep our community safe, follow NSW Health advice. If you are directed to [get tested](#) for COVID-19 or [self-isolate](#) at any time, you must follow the [rules](#) whether or not the venue or exposure setting is listed on the NSW Health website.

Please check the [NSW Government website](#) regularly and follow the relevant health advice if you have attended a venue of concern or travelled on a route of concern.

NSW Health's ongoing sewage surveillance program has detected fragments of the virus that causes COVID-19 at a total of five sewage treatment plants in Camelia South, Camelia North, Auburn, Parsley Bay and Lough Park.

NSW Health is aware of recently confirmed cases of COVID-19 who are isolating in all of these catchments. Everyone residing or working in and around these areas is asked to be especially vigilant for any symptoms that could signal COVID. If they appear, please get tested and self-isolate immediately.

There are more than 350 COVID-19 testing locations across NSW, many of which are open seven days a week. To find your nearest clinic visit [COVID-19 testing clinics](#) or contact your GP.

NSW Health is treating 107 COVID-19 cases, one of whom is in intensive care. Most cases (93 per cent) are being treated in non-acute, out-of-hospital care, including returned travellers in the Special Health Accommodation.

COVID-19 TESTING CLINICS

Residents are encouraged to get tested when they have even the mildest of symptoms. Here are some testing clinics in the local area with private testing also available via GPs:

- **Rushcutter's Bay Park Pop-up Clinic**, New Beach Road, Sir David Martin Reserve, Darling Point (8am-8pm 7 days)
- **Rose Bay drive-through Laverty Pathology**, Lyne Park, Vickery Avenue Car Park, Rose Bay (8am-10pm Mon-Sat, 8am-5pm Sun)
- **Bondi Beach drive-through Clinic**, Entry on junction of Campbell Parade and Beach Road (7:30am-10pm 7 days)
- **Bondi Junction Laverty Pathology Drive-through Clinic**, Level 2 carpark, 38 Waverley Street, Bondi Junction (8am-8pm Mon-Thurs, 8am-10pm Fri-Sun)
- **Bondi Junction Respiratory Clinic**, 47 Spring Street, Bondi Junction (8am-11:45am Mon-Fri, 10am-3pm Saturday - [Appointments required](#))
- **St Vincent's clinic at the East Sydney Community Centre**, 34-40 Burton Street, Darlinghurst (8am-10pm 7 days)
- **Prince of Wales Hospital**, Building 14B Avoca Street, Randwick (9am-8pm 7 days)
